

ONE GARDEN, MANY FLOWERS

NNELL SUMMER INSTITUTE 2018

Julie Speno, Keynote

ONE GARDEN, MANY FLOWERS

Thank you to Nathan Lutz and NNELL for the opportunity to speak and be part of such an amazing organization!

Who are our students today? What challenges do they face?

- Anxiety
- Traumatic events
- Screens
- Abdication of responsibility

What can we do as teachers to support these children?

- Be the SAFE classroom
- Be the KIND classroom
- Be the CALM classroom
- Be the WONDROUS classroom
- Be the classroom of HIGH EXPECTATIONS

When individual kids are supported, they learn—and by extension the whole class learns.
